the specification of which is attached hereto. If not attached hereto,

the specification was filed on _____ as
 United States Application Number _____
 and amended on _____ (if applicable); and/or
 the specification was filed on _____ as PCT
 International Application Number _____; and was
 amended under PCT Article 19 on _____ (if applicable).

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as
 amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 35, Code of Federal Regulations,
 §1.56.

I do not know and do not believe the same was ever known or used in the United States of America before my or our invention
 thereof, or patented or described in any printed publication in any country before my or our invention thereof or more than one year prior
 to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this
 application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this
 application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns
 more than twelve months (six months for designs) prior to this application, and that no application for patent or inventor's certificate on
 this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives
 or assigns, except as follows:

I hereby claim foreign priority benefits under Title 35, United States Code, §119 (a)-(d) of any foreign application(s) for patent or
 inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a
 filing date before that of the application on which priority is claimed.
